## WORK FOR PARSONS

SEVERAL VOTES SECURED FOR THE  
MAYOR OF ROCHESTER.

Mr. Gun of the Republican State  
Convention — Cornelius N. Bliss  
may be a Candidate for Lieu-  
tenant-Governor — Late Gosseip.

SPRINGFIELD, AUG. 27.—The Rochester dele-  
gation to the national democratic convention is  
likely to be strong for Parsons, and  
several delegates have secured several delegations.

The Erie men are turning the town over  
to Parsons, and claim a victory already. A  
sober politician, not interested in a race, unless  
New York and Kings unite on Siroocer or  
Inman, Weber will get there.

John Rumsey's name is the only one  
recently mentioned for court of Appeals  
but it will not help Parsons.

Ex-alderman Hebing and Dr. Makie are  
among the high leaders in convention  
and delegation delegations from other cities.  
The Erie delegation is in the same boat,  
but the plank will be put in the  
water and spiked down. Hebing may  
not be a candidate for the convention  
but he is in his opposition.

Now rumored that Cornelius N. Bliss  
will be brought forward for lieutenant-gov-  
ernor by the conservative element.

POLITICAL FRAUDS.

The Post-Office Men in Interest  
of the Democracy?

NEW YORK, Aug. 25.—The managers at the  
political headquarters in this city claim  
they have legal proof that the democrats are  
using the post offices of the country for un-  
lawful purposes. Editor Richard Smith, of the  
independent *Commercial Gazette*, has sent a  
letter to Congressman C. H. Groves-

ley, of Ohio, saying that he has legal proof  
of his paper in being transmitted  
through the post office. The letter  
is delayed while democratic  
campaign documents can be inserted in  
the wrappers and thus delivered to sub-  
scribers. The charge, Mr. Smith says, can  
be substantiated by the names of the post  
offices upon the floor of the house of rep-  
resentatives.

THURSDAY DAY at Chicago.

CHICAGO, Aug. 25.—The Fair house was  
headquarters of an enthusiastic crowd  
yesterday morning. Red bandanas were flying  
everywhere, and cheers for Cleveland and  
humanity arose every few minutes, and re-  
sulted in wild discussions added to the excite-  
ment. The crowd and at times discussions ap-  
peared a tumult. A good natural world  
it was, however, and around the  
stage, where it was, a great number of  
people pressed, cheering at any telling  
out made.

General Porter arrived in town early this  
morning, and the following day he  
seemed to be the signal for the influx  
of marching clubs, political organizations  
and visitors. Springfield sent 1,000 visitors,  
members of marching clubs, and  
the crowded town sent in a big report.

At Cheltenham the preparations 100 men  
and work on the part of the public and  
private seemed to be the signal for the influx  
of marching clubs, political organizations  
and visitors. Springfield sent 1,000 visitors,  
members of marching clubs, and  
the crowded town sent in a big report.

The Hon. Roger Q. Mills, of Texas, ar-  
rived in the city yesterday afternoon at the  
depot this morning on the Pennsylvania  
Limited at 6 o'clock. They were met  
a delegation of the County Democracy  
and driven to the Fair house where a re-  
ception was tendered them.

THE GREAT \$10,000 MYSTERY.

\* Trace of the Package Stolen from  
the Registered Letter Pouch.  
NEW YORK, Aug. 25.—The authorities of  
the post office are still at sea regarding  
the loss of the \$10,000 that was missed  
a week ago from a money package that came  
on Portland, Oregon.

W. H. Rohy, of the Postmaster  
Office, made the following statement regarding  
the missing \$10,000 package: "I  
have a despatch fully informing

them for several months. They met in  
the road and drawing their pistols simul-

## Prologue of the Lives of the People and the Debauchery Will be Reduced.

For the benefit of others I offer the facts necessary  
to connect with this remarkable record for publication.  
Mr. Clegg could not speak above a whisper  
for five years, and was a gross sufferer  
from fits of convulsions, and was compelled to give up  
his occupation and poor health. I almost des-  
paired of her recovery, as she doctor had treated her  
with no beneficial results, when, in 1877,  
hearing of the wonderful cures made by the  
use of Dr. Flinck's Balsam, I called at  
his office at 44 North Flushing street for con-  
sultation (which is free). They thought her case  
hopeless, and she commenced taking their Rem-  
edy, and to my great surprise she soon  
recovered her health, her wife is considerably better, and I  
believe that by this time one of the Remedies her  
wife was saved. Had I only realized their value  
long before she might have been spared years of  
suffering. A word to the wise is sufficient. If  
you have any chronic, or likely to become  
acute disease take Dr. Flinck's Balsam. Remedies and  
you will never be sorry.

panying pains in the side, breast or back, and
